ANNOTATED BIBLIOGRAPHY
TETOUAN URBAN DEVELOPMENT PROJECT
HG-001 AND 608-0194

Submitted to United States Agency for International Development/Rabat

January 30, 1996

by Bettina Brunner

Tetouan Urban Development Program

HG-001 and 608-0194

The following bibliography provides a short summary of the documents financed under USAID HG-001 and 608-0194. While not exhaustive, remarks serve to orient readers. Documents deemed useful for future evaluations but not paid through HG-001 or 608-0194 are marked with asterisks after the title.

1960

Royaume du Maroc, Textes de Creation et de Gestion du Fonds d'Equipment Communal, Janvier 1960.*

Royal decree creating the Fonds d'Equipment Communal and outlining its responsibilities.

1982

Ministre de l'Habitat et de l'Amenagement du Territoire, Quartier-Dersa : Etude de Restructuration, Mission du 14 au 18 Juin, 26 Juin, 1982.*

Report by M. Tounsi examining topography and existing sewage system in Dersa quarter in Tetouan and recommending improvements.

1983

Ministry of Housing and Land Development, Tetouan Province Project Paper. April 1983. French Title: Ministre de l'Habitat et de l'Amenagement du Territoire, Delegation Regionale de Tetouan, Restructuration du Quartier Dersa, Avril 1983.*

Dersa neighborhood upgrading operation with broad overview of demographic, economic, and environmental characteristics of the area. Improvements include construction of roads and socio-cultural facilities, infrastructure improvements, and relocation of displaced households.

Fonds d'Equipment Communal, Declaration de Politique Gnrale, 16 Mars 1983.*

Explanation of duties and procedures of FEC with financial statements.

1985

Planning and Development Collaborative International (PADCO), End of Mission Report Institutional Review HG-001 Tetouan Morocco, Office of Housing and Urban Programs, Agency for International Development, June 1985.

Review of Moroccan agencies involved in the Tetouan project with

recommendations for carrying out HG-001 activities following two weeks of field work by Jerry Erbach of PADCO.

U.S. Agency for International Development, Tetouan Urban Development Project HG-001, Revised Project Paper, Sept. 26, 1985.

Project Paper to replace original Ben M'sik Upgrading Project in Casablanca by the Tetouan Upgrading project, with transfer of \$25 million in funding authorized. Project has 4 components, with the purpose of upgrading clandestine settlements and preventing their spread and developing a model of a comprehensive approach to urban development and shelter finance for low-income families.

1986

Audit Maroc, Fonds d'Equipement Communal : Rapport Sur les Comptes Exercices 1981 à 1985 Inclus, 1986.*

Financial audit report on FEC accounts from 1981-1985.

Caisse de Depot et de Gestion, Fonds d'Equipement Communal, Division Financière et Comptable, Service de la Comptabilité : Bilan et Documents Annexes Exercice 1985, 1986.*

FEC Financial statement for 1985.

Colvin-Phillips, L., Vivre en Marge à Tetouan : Etude Socio-Economique sur l'Habitat Clandestin dans les Quartiers de Dersa et Samsa, Juin 1986.

Baseline socio-economic analysis of the Dersa and Samsa sectors of Tetouan based on previous studies, the national Census, and an April 1986 survey of the area. Possible cost recovery options are advanced.

Cordova, M., Oman, C., Project Delivery Plan, Tetouan Urban Development Project (HG-001, RHUDO Rabat, Morocco), National Council of Savings Institutions, April 1986. French Title: Projet d'Urbanisation de Tetouan Plan de Livraison du Projet, Avril 1986.

HG-001 Project Delivery Plan combines the activity schedules of different project components, costs, and a financial plan, presented in the form of tables, charts, schedules, and cash flow projections.

Institut National d'Amenagement et d'Urbanisme/Centre d'Etude de Recherche de l'Aménagement et de l'Urbanisme (INAU/CERAU), Tetouan Dersa-Samsa HG-001, Etude Socio-Economique, Evaluation Méthodologique, Agence Nationale de Lutte Contre l'Habitat Insalubre, Decembre 1986.*

Part I provides methodology for survey performed in 191 of the 216 districts which compose the Dersa-Samsa area. Type of lodging, occupancy, construction materials, and infrastructure were investigated. Part II summarizes the findings, and provides in-depth survey of 100 households with more detail on access to dwellings and resident attitudes on improvements. Documents that are part of the same study: Note Méthodologique, Dossier de Convention, Etude Urbaine, Dossier de Consultation, Enquête -Menages, and Réultats Statistiques de l'Enquête - Ménages.

Jervis, Paola, Projet de Développement Urbain Dersa-Samsa à Tetouan, Programmation et Coordination des Activités, Mars 1986.

Using the "PERTH-CPM Method", an activity matrix is provided with timeline for technical studies, rehousing, public works, electric and water infrastructure improvements, and miscellaneous activities. Completion dates (by project month) and responsible agencies are noted for each activity.

Jervis, Paola, Projet de Développement Urbain Quartier Dersa-Samsa, Tetouan : Organisation des Structures Locales du Projet, Juin 1986.

Evaluation of repartition of tasks within the Tetouan Project following the removal of the ANHI as the "Matrise d'Ouvrage" and increasing the responsibilities of the Municipality of Tetouan. Part I analyses the role of each agency in carrying out project activities. Part II proposes a local ANHI technical team and increased Municipal human resources support and equipment. Budget included.

Sakout, A., "Le Fonds d'Equipement Communal, au Service du Développement des Collectivités Locales et des Régies Autonomes", Communication Faite à l'Occasion du Troisième Colloque National sur les Collectivités Locales, Meknes 19-22 Juin, 1986, Royaume du Maroc, Caisse de Depot et de Gestion, Fonds d'Equipement Communal, 1986.*

Speech by Mr. Abdelhak Sakout, Director of the FEC, concerning FEC's future activities.

Research Triangle Institute/Minis, H., Jervis, P., Technical Assistance and Training Needs Assessment, Tetouan Urban Development Project, March 1986.

Report assesses participating agencies' capacity to implement Tetouan project and recommends training and technical assistance activities to strengthen implementation capacities.

U.S. Agency for International Development, Grant Project Agreement between the United States of America, acting through the Agency for International Development (AID) and The Agence Nationale de Lutte Contre l'Habitat Insalubre (ANHI), March 28, 1986.

Project agreement for baseline survey for the Tetouan Urban Development Project. Amount of AID grant: \$60,000.

U.S. Agency for International Development, Tetouan Urban Development Project Paper Supplement No. 1, July 23, 1986.

Amends the Project Paper to include a DA Grant-funded technical assistance and training component for \$800,000.

U.S. Agency for International Development, Project Grant Agreement between the Kingdom of Morocco and the United States of America for the Tetouan Urban Development Project, August 22, 1986.

Project agreement for 608-0194 for \$700,000 with possibility of additional \$100,000. Completion date of June 30, 1991.

1987

Agence Nationale de Lutte Contre l'Habitat Insalubre, Projet de Développement Urbain Dersa Samsa à Tetouan : Rapport sur l'Etat d'Avancement du Projet, Decembre 1987 à Octobre 1994.*

Periodic progress reports beginning in 1987 on construction and technical assistance advancement in Tetouan project.

Agence Nationale de Lutte Contre l'Habitat Insalubre, PDU Dersa Samsa, Construction de 200 Logements à Tetouan : Projet d'Execution, Juin 1987.*

Detailed architectural and engineering specifications for construction of 200 dwellings to rehouse residents displaced by demolitions in the Dersa Samsa area. Five housing types were established by number of dwellings and lot size. Budget of infrastructure improvements and building construction attached. Ceris won contract.

Caisse de Depot et de Gestion, Fonds d'Equipement Communal, Division Financière et Comptable, Service de la Comptabilité : Bilan et Documents Annexes Exercice 1986, 1987.*

FEC Financial statement for 1986.

Deprat, M., Housing Rehabilitation in Tetouan, 10-18 June 1987.

Short study examining how to recover costs from project beneficiaries and how to improve Tetouan's tax management system.

Ringuédé, A., Tetouan Urban Development Project (HG-001 and 608-0194) Update of Project Information and Implementation, April 1987. French title: Projet de Développement Urbain de Tetouan HG 001, 608-0194, Dersa Samsa : Mis à Jour

des Données et de l'Etat d'Avancement du Projet, Avril 1987.

Summary of HG-001, with projected cost of approx. \$34 million, \$29 million of which is for development activities and equipment. Project has following components: institutional, upgrading, sites & services, off-site waste water and storm water drainage. \$.8 million in technical assistance is provided under 608-0194.

I.N.A.U.-C.E.R.A.U., HG-001 Tetouan Urban Development Project (Dersa-Samsa) Socio-Economic Survey Summary and Synthesis, July 1987. French title: Tetouan Dersa-Samsa HG-001, Etude Socio-Economique, Etude Urbaine, Agence Nationale de Lutte Contre l'Habitat Insalubre, Juillet 1987.*

This report provides a data base of demographic and socio-economic characteristics of Dersa-Samsa, synthesizing previous four phases of statistical research. Phase I is a general overview of Tetouan's urban system; Phase II examines the housing market there; Phase III is a comparative analysis of squatter settlements; Phase IV is a survey of the Dersa-Samsa.

U.S. Agency for International Developpement, Accord d'un Programme d'Habitat Entre le Royaume du Maroc et les Etats-Unis d'Amérique pour le Développement Urbain des Quartiers Dersa-Samsa à Tetouan, 20 Avril 1987.

Official agreement for the HG-001 project between USAID and the Government of Morocco.

U.S. Agency for International Development, First Amendment to the Project Grant Agreement between the Kingdom of Morocco and the United States of America for The Tetouan Urban Development Project, June 30, 1987.

Agreement between GOM and USAID following first Project Paper Amendment.

1988

Agence Nationale de Lutte Contre l'Habitat Insalubre, Projet de Développement Urbain de Dersa-Samsa à Tetouan Mission 1 Etudes de Structure et d'Orientation Phase I Données de Base et Diagnostic General Volume B : Assainissement Liquide, Avril 1988.*

Phase I summary and diagnostic for sewerage infrastructure plan in the Dersa-Samsa.

Agence Nationale de Lutte Contre l'Habitat Insalubre, Strategie de Realisation de la Zone d'Amenagement Concerté, Phase 1-Rapport 2: Financement du Secteur de l'Habitat, Juillet 1988.*

One of five sector studies as first phase of public/private partnership zone in Tetouan Urban Development Project strategy. Part I discusses existing options for financing housing construction. Part II focuses on formal and informal financing mechanisms in Tetouan for housing construction and land acquisition.

Agence Nationale de Lutte Contre l'Habitat Insalubre, Projet de Développement Urbain de Dersa-Samsa à Tetouan : Etudes d'Evaluation et de Programmation, Mission 2 Evaluation et Programmation Generale et Etude Financière Document Minute, Novembre 1988.*

Financial analysis to determine estimated cost and estimated cost recovery of Urban Development Project in the Dersa-Samsa.

Caisse de Depot et de Gestion, Fonds d'Equipement Communal, Division Financière et Comptable, Service de la Comptabilité : Bilan et Documents Annexes Exercice 1987, 1988.*

FEC Financial statement for 1987.

Deprat, M., Plan de Développement Urbain à Tetouan, Rapport de Mission, 3-16 Février 1988 and 27 Novembre-11 Décembre 1988.

Two follow-up missions to June 1987 visit to examine cost recovery of beneficiaries in project area and to determine ways to improve Tetouan's tax collection system.

Research Triangle Institute/Goetz, D., Logiciel de Taxe Foncière pour la Municipalité de Tetouan Rapport No. 1 : Evaluation des Méthodes et Plan d'Application, Avril 1988.

Evaluation of current municipal tax collection system in Tetouan, review of tax collection software proposed, and implementation plan.

Research Triangle Institute Project, Tetouan Urban Développement Project HG-001-608-0194 Technical Assistance and Training Assessment, May 1988. French title: Projet de Développement Urbain à Tetouan Evaluation de l'Assistance Technique et de la Formation, Mai 1988.

Description of RTI's overall program design and implementation schedule for technical assistance & training program in Tetouan, with 22 proposed activities.

Research Triangle Institute, Projet Développement Urbain à Tetouan, Système Automatisé de Taxe Urbaine et de Taxe d'Edilité Municipalité de Tetouan : Documentation du Système, Novembre 1988.

Technical manual for automated tax collection system.

Research Triangle Institute, Projet Développement Urbain à Tetouan, Système Automatisé de Taxe Urbaine et de Taxe d'Edilité, Municipalité de Tetouan : Guide d'Utilisateur, Novembre 1988.

User's manual for automated tax collection system in Tetouan.

Reseach Triangle Institute/Goetz, D, Ryon, H., Tetouan Property Tax Software Report No. 3: Output Training, Evaluation and Recommendations for Further Activities, Period November 28 through December 10, 1988.

Evaluation of implementation of an automated recordkeeping and billing system for real estate taxes in Tetouan.

Trans-Atlantic Consulting Services, Feasibility Conditions for the Creation of a Municipal Development Bank, Abbreviated Summary of the Original Report of July 1988, December, 1988.

This study examines the need for municipal financing in Morocco, discussses the creation of a Municipal Development Bank and how it could be funded, then provides action steps required for the successful establishment of the new bank.

1989

Agence Nationale de Lutte Contre l'Habitat Insalubre, Projet de Développement Urbain Dersa-Samsa à Tetouan, Programme d'Investissement à la Charge de la Municipalité, Juin 1989.*

Study which defines the Municipality of Tetouan's investment program for the urban development project of Dersa-Samsa. Major aspects include improvements such as potable and waste water infrastructure and an electrical distribution system within the project area. A cost benefit analysis of the sale price for land parcels within the zone is also provided.

Association Nationale des Architectes et des Urbanistes, Actes du Séminaire International : Stratégie Urbaine et Urbanisme Opérationnel, Rabat, le 11-12-13 Mai 1989.

Reports from 1989 urban seminar held in Rabat.

Municipalité de Tetouan, Schema Directeur d'Assainissement Liquide de Tetouan : Dossier de Préqualification, Mars 1989.*

Prequalification questionnaire for Tetouan sewerage master plan for collection, evacuation, elimination, or reutilization of liquid waste for short (2000) and long term (2010).

Municipalité de Tetouan, Schema Directeur d'Assainissement Liquide de Tetouan Règlement de la Consultation, Septembre 1989.*

Guidelines for contractors submitting proposals to the Municipality under HG-001.

R.D.E., Projet de Développement Urbain Dersa-Samsa Tetouan Emplois et Ressources Prévisionnels, Novembre 1989.*

Yearly financial projections by ANHI. Reports also available for 1987, 1988, with several intermediate reports for each year.

R.D.E., PDU Dersa-Samsa : Organisation Cellule RDE, Novembre 1989.*

Organisational structure of RDE in charge of Dersa-Samsa.

R.D.E., PDU Dersa-Samsa : Etat des Dépenses à Fin 89, Novembre 1989.*

Balance sheet for Tetouan project for 1989.

Research Triangle Institute, Comprehensive Technical Assistance and Training to Strengthen the Institutional Capacities of the Government of Morocco Agencies that are Implementing the Tetouan Urban Development Program Technical Proposal, December 28, 1989.

RTI proposal for technical assistance and training for Tetouan Urban Development Program.

Trans-Atlantic Consulting Services, The Financial Resources of the Municipal Development Bank (BDCL), U.S. Agency for International Development, Office of Housing and Urban Programs, June 1989.

Describes various funding sources for the "soon-to-be-created" Municipal Development Bank, and the techniques and structure necessary to mobilize and manage resources.

U.S. Agency for International Development/Rabat, Tetouan Urban Development Project (608-0194) Supplement No. 2, May 9, 1989.

This Project Paper Supplement amends the Project Paper to include a ESF Grant funded technical assistance and training component for \$1,000,000, bringing the total of 608-0194 to \$1.8 million.

U.S. Agency for International Development, Second Amendment to the Project Grant Agreement between the Kingdom of Morocco and the United States of America for The Tetouan Urban Development Project, June 23, 1989.

Agreement between GOM and USAID following second Project Paper Amendment.

Water and Sanitation for Health Project (WASH)/Lèger, P., Tetouan Sewerage Master Plan and Environmental Impact Studies, March 1989. French title: Schema Directeur d'Assainissement Liquide de Tetouan, Rapport d'Evaluation des Ressources Nécessaires pour l'Execution et la Gestion des Etudes du Schema Directeur, Mars 1989.

Guide for the Municipality of Tetouan to manage process of selection of wastewater master plan consultants, with estimation of personnel and equipment needs.

Water and Sanitation for Health Project (WASH), Tetouan Sewerage Master Plan and Environmental Impact Studies WASH Field Report No. 265, CDM and Associates, March 1989.

Report of WASH sanitary engineer's evaluation of the completeness of the terms of reference for the Tetouan Sewerage Master Plan with recommendations for assisting the Municipality of Tetouan.

1990

Baudouin, Y., Evaluation de l'Implantation d'un Système d'Information Géographique Urbain à la Municipalité de Tetouan, Groupe Géomatique UQAM, ICMA, Mai 1990.

Evaluation of most appropriate applications of a GIS system for the Municipality of Tetouan, including personnel and training needs and proposal for equipment with cost estimates. Also included is evaluation of CERAU's Système d'Information Urbain (SIU) proposal.

Environmental Systems Research Institute (ESRI), Proposal to USAID Morocco for GIS Pilot Project, August 13, 1990.

Proposal by ESRI for ARC/INFO (their GIS product) for the Municipality of Tetouan.

Environmental Systems Research Institute (ESRI), Proposal to USAID Morocco for GIS Pilot Project, Revised, August 26, 1990.

Same as above proposal except for greater detail on deliverables in scope of services section. Budget included.

Groupement Bryler-Iskane-Sheladia, Consultation pour l'Etude du Schema Directeur d'Assainissement Liquide de la Ville de Tetouan : Révision de l'Offre Technique et Financière, 30 Juillet 1990.

Modified proposal by American-Moroccan engineering consortium for sewerage master plan following negotiations with the Municipality of Tetouan, Ministry of the Interior, and USAID.

Groupement Bryler-Iskane-Sheladia, Etude du Schema Directeur d'Assainissement Liquide de la Ville de Tetouan : Le Marché, 1990.

Contract and scope of work for Groupement Bryler-Iskane-Sheladia to carry out sewage master plan for the Municipality of Tetouan. Financial portfolio, scope of work and specifications included.

Municipalité de Tetouan, Etude du Schema Directeur d'Assainissement Liquide de la Ville de Tetouan Dossier Financier, Termes de References et Cahier des Prescriptions Spéciales, Novembre 1990.

Sewerage master plan business and technical proposal with terms of reference.

Municipalité de Tetouan, Etude du Schema Directeur d'Assainissement Liquide de la Ville de Tetouan, Dossier Financier, Termes de References, Decembre 1990.

Sewerage master plan terms of reference.

Planning and Development Collaborative International (PADCO), Stratégie de Réalisation de la Zone d'Amenagement Concerté Rapport Final, Janvier 1990.

Final report of PADCO study on ZAC which includes five phases of preliminary reports begun in 1988. Titles of interim reports:

Phase 1-Rapport 1: Evaluation des Expériences d'Amenagement Concerté au Maroc, Juillet 1988.

Phase 1-Rapport 2: Financement du Secteur de l'Habitat, Juillet 1988.

Phase 1 Rapport 3: Marché Foncier et Immobilier à Tetouan, Juillet 1988.

Phase 1 Rapport 4: Etude Foncière de Samsa, Juillet 1988.

Phase 1 Rapport 5: Synthèse et Directives, Juillet 1988.

Projet de Rapport Final (Draft), Juin 1989.

Research Triangle Institute/Techniques Urbaines Maroc, Tetouan Urban Development Program Technical Assistance and Training Project : Annual Work Plan 1990-1991. French Title: Programme de Développement Urbain à Tetouan, Projet d'Assistance Technique et de Formation, Plan de Travail Annuel 1990-1991.

RTI workplan for technical assistance and training activities in Tetouan under 608-0194.

U. S. Agency for International Development, Morocco: Tetouan Urban Development (608-0194-Supplement to 608-HG-001) Project Paper Supplement 3, July 13, 1990.

Amends the Project Paper to include additional ESF funds for expanded technical assistance and training costs, commodities, additional studies and increased project management in the sum of \$1,764,000 for a total of \$3,564,000.

1991

Agence Nationale de Lutte Contre l'Habitat Insalubre, Projet de Développement Urbain (PDU) Dersa-Samsa Pour une Stratégie de la Réalisation de la ZAC de Samsa à Tetouan, Janvier 1991.*

Synthesis in French of PADCO study of ZAC undertaken in January 1990.

Caisse de Depot et de Gestion, Fonds d'Equipement Communal, Division Financière et Comptable, Service de la Comptabilité Bilan et Documents Annexes Exercice 1990, 1991.*

FEC Financial statement for 1990.

Crédit Local International Conseil, Le Fonds d'Equipement Communal du Maroc : Ses Caractéristiques, sa Situation Financière, à la Demande du Ministère Français des Affaires Etrangères et de la C.C.C.E., Octobre 1991.*

Overview of institutional and organizational structure of FEC for the French Ministry of Foreign Affairs by Crédit Local International Conseil in conjunction with the FEC. Financial statement is included.

Hessini, C., Impact Study of Housing and Urban Programs in Morocco: Inventory of Project Results, April 12, 1991.

Good overview of HG-001, 608-0194, and HG-003, with project accomplishments to Spring 1991.

ICMA/Ohnesorgen, F., Solid Waste Management Service Study in Tetouan Morocco, June 10-22, 1991.

Management analysis of the solid waste collection and landfill management services provided by the City of Tetouan with recommendations for improvement.

ICMA/Simmons, C., Urban Development Program in Tetouan: Review of Tetouan's Public Works Functions, July 1991.

Review of public works function in Tetouan with recommendations for improving efficiency and decreasing costs in each department, with special attention to the Sewer Services Division.

Louis Berger International, Technical Assistance to Strengthen the Municipal Development Fund: Technical Proposal, October 1991.

Proposal to strengthen banking and accounting systems for FEC.

Louis Berger International, Technical Assistance to Strengthen the Municipal Development Fund: Response to Technical Questions, 9 December 1991.

Subsequent to request by USAID Rabat for a more comprehensive methodology and approach to carrying out the Municipal Development Fund program, Louis Berger International provided more in-depth analysis and revised workplan.

Municipalité de Tetouan, Note sur : Renforcement Services Environnement, Decembre 1991.*

Following recommendations in RTI and Bryler reports, the Municipality creates an environmental services group responsible for liquid and solid waste, green space and cemeteries. This document discusses its organizational structure and functions.

Municipalité de Tetouan, Evolution Budget Municipal 1989-90 et 91, 1991.*

Municipal budget, status of contracts and special accounts.

Research Triangle Institute, Techniques Urbaines-Maroc, Tetouan Urban Development Program Technical Assistance and Training Project: Microcomputer Equipment Procurement Plan, February 1991. French Title: Programme de Développement Urbain à Tetouan, Projet d'Assistance Technique et de Formation, Plan d'Aquisition du Materiel Microinformatique.

RTI's proposal, procurement plan and budget for tax and sewerage software for the Municipality of Tetouan.

Research Triangle Institute, Techniques Urbaines-Maroc, Programme de Développement Urbain à Tetouan Projet d'Assistance Technique et de Formation, Mission Assistance à la Presidence de Conseil Municipal Phase 1: Analyse et Diagnostic des Structures Administratives Municipales, Mars 1991.

Evaluation of urban management system in Tetouan, with identification of problem areas that could undermine the Urban Development Project of Dersa-Samsa, followed by recommendations for improvement.

Research Triangle Institute/Tagournet, B., Programme de Développement Urbain à Tetouan Projet d'Assistance Technique et de Formation, Mobilisation des Ressources Municipales, Novembre 1991. Another document with the same information: Informatisation des Recettes Municipales, Rapport de Mission.

Report of research mission to Tetouan from November 1-25, 1991 studying revenue management, cost recovery, information storage to determine what should be computerized.

1992

Anid P., Currie D., Shaw C., Curtis T., Tarnas D., The Impact of Urbanization on National Resources, Tetouan Morocco, DPRA Inc., International Resource Group (IRG), RDA International Inc., Report # P3767.005, U.S. Agency for International Development (USAID), Office of Housing, and Office of Development Resources, Washington D.C., May 1992. French Title: Impact de l'Urbanisation sur Les Ressources Naturelles.

Working paper of Office of Housing and Urban Programs of USAID that identifies Tetouan's key natural resources, then determines the extent to which the resource is jeopardized by an urban-related activity. Coastal land and water, terrestrial flora, freshwater downstream of Tetouan and wetland flora and fauna are considered severely threatened by urbanization.

Bryler Corporation, Morocco Unsolicited Proposal: Feasibility Studies Tetouan Sewage Treatment Plant, June 1992.

On the basis of the sewerage master plan study, Bryler group recommends construction of sewage treatment plant and proposes to begin feasibility studies for it.

Environmental Systems Research Institute, A Customized Training Course in Needs Assessment and Conceptual Database Design for the Municipality of Tetouan, Morocco, April 21, 1992.

GIS training course for Tetouan Urban Development Project.

Groupement Bryler-Iskane-Sheladia, Etude du Schema Directeur d'Assainissement Liquide de la Ville de Tetouan, 1992 to 1994.

Bryler group's reports for the Tetouan Master Sewage Plan. Activities are broken down into 6 major categories, with subcategories under most. Reports begin in 1992 and continue to 1994. Study A provides diagnostic of existing sewage treatment. Study B presents sewage treatment options for Tetouan. Study C compares the options to select appropriate one. Study D concerns the establishment of a master plan for liquid waste treatment. Study E is the pre-project summary. Study F concerns institutional studies and cost recovery. Report Titles:

A-1 et A2 Collecte et Analyse Critique de l'Information Disponible.

A-3 Etude de l'Assainissement Existant, Volume I, Volume II.

A-4 Enquête Industrielle.

A-5 Etudes des Pollutions.

A-6 Etude des Potentialités de Reutilisation des Eaux Usées Epurée et des Boues.

A-7 Etudes des Usages de l'Eau et des Rejets, Volume I, Volume II.

A-8 Analyse Urbain.

A-9 Etudes des Sites d'Epuration et de Rejet.

A-10 Etude des Critères de Conception et de Dimensionnement des Ouvrages.

- A-11 Etablissement des Coûts Unitaires.
- B1 Etude Globale des Systèmes Intégrés d'Assainissement.
- B-2 Identification des Variantes d'Assainissement.
- B-3 Première Selection des Variantes de Systèmes Enviseables.
- C-1 Etude Technique Préliminaire des Variantes Proposées.
- C-2 Comparaison Economique des Variantes Proposées.
- C-3 Selection de la Variante à Retenir.
- D-1 Etude Approfondie de la Variante Retenue.
- D-2 Décomposition de la Variante en Etapes de Réalisation.
- D-3 Détermination des Coûts.
- E Etudes Techniques des Ouvrages de l'In-Site et Hors-Site.
- F1 Etude de l'Organisation et des Moyens du Service d'Assainissement.
- F2 Etude de Recouvrement des Coûts.

ICMA, Seminar on the Privatization of Solid Waste Services, Rabat, Morocco, February 13-14, 1992.

Report of first Moroccan technical seminar on the privatization of the collection and treatment of household waste.

ICMA/Benjelloun, D., Evaluation des Programmes d'Habitat de L'U.S.A.I.D. au Maroc Conception et Evolution des Programmes, Mars 1992.

Good overview and critique of USAID's housing programs: HG-001, 608-0194, HG-003 and 608-0200.

ICMA/Simmons, C., Twinning Program for Raleigh and Tetouan Program Agreement, May 1992.

Overview of international agreement signed by City of Raleigh and the Municipality of Tetouan on March 17, 1992 for technical assistance with sewer collection system maintenance equipment and water quality laboratory.

ICMA/Dorhman, Plan d'Amenagement de la Decharge Publique de Dechets Solides, October 1992.

Analysis by Jim Dorhman of Tetouan's landfill system, followed by a proposal of sites in Tetouan for a future landfill.

INAU/CERAU, Système d'Information Géographique de Tetouan Schema Conceptuel & Modèles d'Applications, Document Provisoire, Octobre 1992.*

General introduction to GIS, institutional context, conceptual framework for database, followed by presentation of Tetouan pilot project with adaptation of GIS system called Systeme d'Information Urbain (SIU).

Lalande, F., Report Tetouan Project -WASH, Municor, May 11, 1992.

Critical review of 12 engineering studies prepared for the Tetouan sewerage master plan, with issues that should be raised with engineering contractor,

Bryler Group.

Louis Berger International, Inc., Municipal Development Fund: Strengthening the Operational Capabilities of the FEC, Final Phase I Report, 22 May 1992. French title: Etude Pour le Renforcement des Capacités Operationnelles du FEC, Rapport Final Phase I.

Phase I of report which includes diagnosis of FEC's current operations, identification of unmet operational requirements (especially computer and data processing systems) and recommendations with estimated budget for procurement of equipment.

Louis Berger International, Inc., Municipal Development Fund: Strengthening the Operational Capabilities of the FEC, Draft Phase II Report, July 23, 1992. French title: Etude Pour le Renforcement des Capacités Operationnelles du FEC, Rapport Final Phase II, 23 Juillet 1992.

Phase II discussion and recommendations for computer hardware and software needed in the Tetouan project including cost comparisons between local and U.S. suppliers for all equipment.

Research Triangle Institute, Techniques Urbaines-Maroc, Programme de Développement Urbain à Tetouan Project d'Assistance Technique et de Formation, Mission Assistance à la Présidence du Conseil Municipal Reorganisation des Structures Municipales : Rapport de Synthèse de la Phase 1, Juin 1992.

Evaluation of urban management in the Municipality of Tetouan with identification of problem areas and recommendations for improvement following four-phase project begun in 1990.

Research Triangle Institute/Wyatt, A., Goetz, D, Tetouan Urban Development Program Technical Assistance and Training Project, Performance Measurement System Report on Phase 1: Seminar and Survey, 1992. French Title: Programme de Développement Urbain de Tetouan Projet d'Assistance Technique et de Formation, Système de Mesure de Performance Rapport de la 1ère Étape, Séminaire et Enquête.

Description and results of first phase of four part Performance Measurement Activity in Tetouan, which included visit of two RTI consultants to develop strategy and calendar for future steps. A performance measurement seminar, held in Tetouan from September 16-23, 1992 is discussed.

Research Triangle Institute, Techniques Urbaines-Maroc, Programme de Développement Urbain à Tetouan Project d'Assistance Technique et de Formation, System Automatisé de Taxe Urbain et de Taxe d'Edilité, Municipalité de Tetouan : Documentation, Septembre 1992.

Operator's manual for MIS system developed to automate certain administrative tax assessment and collection procedures in the Tetouan Urban Development Project, as part of project no. 608-0194. Document served as training manual for Municipality of Tetouan.

Research Triangle Institute, Techniques Urbaines-Maroc, Programme de Développement Urbain à Tetouan Project d'Assistance Technique et de Formation, System d'Informatisation des Recouvrements des Couts : Documentation, Septembre 1992.

Cost recovery system documentation for Tetouan Urban Development Project including technical guidelines, system installation and users manual.

Research Triangle Institute, Techniques Urbaines-Maroc, Programme de Developpement Urbain à Tetouan Project d'Assistance Technique et de Formation, System d'Informatisation de Gestion de la Regie Municipale Système de la Caisse Municipale : Documentation, Septembre 1992.

Technical guidelines, system installation and user's guide for the Municipal Tax Office. Training document.

Royaume du Maroc, Dahir No. 1-92-5 du 5 Safar 1413 (5 Août 1992) Portant Promulgation de la Loi No. 31-90 Portant Réorganisation du Fonds d'Equipement Communal, 1992.*

Law which reorganizes the FEC's activities and gives it more autonomy.

Serageldin, M., Benjelloun, D., Navez Bouchanine, F., Lehzam, A., Salahedine, M., Review of Ongoing USAID Shelter Sector Activities in Morocco, International City/County Management Association, U.S. Agency for International Development (USAID), Office of Housing, and Office of Development Resources, Washington D.C., June 1992. French title: Etude des Activités de l'USAID dans le Secteur de l'Habitat au Maroc, Juin 1992.

Working paper of Office of Housing and Urban Programs which assesses the institutional and economic impact of USAID's urban shelter sector programs in Morocco since 1985, including HG-001, HG-003, and 608-0194. Report provides overview of USAID activities in Tetouan and elsewhere, inception and development of program activities, institutional and economic impact, constraints on program performance and recommendations. Field survey and photos of construction projects included.

Techniques Urbaines-Maroc, HG-001 608-1094 Estimations des Besoins Informatiques des Perceptions de Tetouan, Juin 1992.

Draft estimate of computer needs in three tax offices in Tetouan under the automation project of the property tax system of the Municipality.

USAID/Morocco, Tetouan Urban Development (608-0194) Project Paper Supplement No. 4, May 18, 1992. (Signed by Mission Director on July 7, 1992.)

Amends grant project paper for 608-0194 to include additional ESF funds to enhance the environmental impact activities of the on-going Sewerage Master Plan Study and to support the institutional development of the Municipality of Tetouan's Environmental Services Unit. Budget increased by \$1.7 million for a new total of \$5,264,000.

U.S. Agency for International Development, Fourth Amendment to the Project Grant Agreement between the Kingdom of Morocco and the United States of America for The Tetouan Urban Development Project, July 31, 1992.

Agreement between GOM and USAID following fourth Project Paper Amendment.

1993

Caisse de Depot et de Gestion, Fonds d'Equipement Communal, Division Financière et Comptable Service de la Comptabilité Bilan et Documents Annexes Exercice 1992, 1993.*

FEC Financial statement for 1992.

Communauté Urbaine de Tetouan, Communication : Assainissement Solide-Cas de la Ville de Tetouan, Octobre 1993.*

Good summary of solid waste situation in Tetouan.

Environmental Systems Research Institute (ESRI), Tetouan GIS Pilot Project Final Project Report, December 30, 1993. Title in French: Le Projet Pilote SIG de Tetouan Rapport Final, 30 Décembre 1993.

Final report of pilot GIS ARC/INFO project in Tetouan. Includes project implementation activities, results, and recommendations for pilot project follow-up and future expansion of the GIS to cover the entire Communauté Urbaine de Tetouan.

Groupement Bryler-Iskane-Sheladia/Thomas, M.D., Williams, P., Etude du Schema Directeur d'Assainissement Liquide de la Ville de Tetouan, Système d'Information Géographique Evaluation des Besoins et Plan d'Execution, Janvier 1993.

Sewerage master plan GIS needs evaluation and implementation plan.

Groupement d'Etude Bryler-Iskane-Sheladia, Etude du Schema Directeur d'Assainissement Liquide de la Ville de Tetouan, Geographic Information System Database Design, Juin 1993.

Detailed description of database for Municipality of Tetouan's Geographic Information System for waste water applications using ARC/INFO.

Groupement d'Etude Bryler-Iskane-Sheladia, Etude de Schema Directeur d'Assainissement Liquide de la Ville de Tetouan, Prestations Complementaires de Juillet 92
Programme de Controle de la Pollution de l'Environnement Aquatique de Tetouan
Rapport d'Avancement, Octobre 1993.

Preliminary report by environmental engineer on development of pollution control program for the aquatic environment in Tetouan, including information collection in the field and recommendations for future activities.

Louis Berger International/Strauss, S., Strengthening the Operational Capabilities of the FEC: Report of the Phase 4 Mission April 20-May 25, 1993.

Report which summarizes computer equipment purchases and installation for FEC.

PADCO, "Brick by Brick", January 25, 1993.

Video in English and French explaining the Tetouan Urban Development Project for use in promoting the project within Moroccan government agencies.

Research Triangle Institute, Projet de Developpement Urbain de Tetouan Programme d'Assistance Technique et de Formation, Système de Mesure de Performance, Rapport d'Avancement Phase II : Etudes Techniques, Fevrier 1993.

Progress report by RTI following restructuring of the city of Tetouan into Sidi Al Mandrih and Al-Azhar. Determination of future training and technical assistance activities in light of this major change, including recommendations for additional training and equipment procurement.

Research Triangle Institute, Projet de Developpement Urbain de Tetouan, Programme d'Assistance Technique et de Formation Mission Assistance à la Présidence du Conseil Municipal : Reorganisation des Structures Municipales de Sidi Al Mandri Rapport de Mission Complémentaire, Decembre 1993.

Report on the municipality of Sidi Al Mandri, newly created in 1992. Study examines the structure of the municipal agency and recommends how to best organize service functions.

Strock, Strock & Lavan, \$9,000,000 Fixed Rate Promissory Notes Due 2023 issued by Fonds d'Equipement Communal and Guaranteed by United States Agency for International Development, May 14, 1993.
